

IRONSTONE
RIDGE

IRONSTONE RIDGE IN THE HEART OF THE GREAT OUTDOORS AT LOGAN LAKE.

Logan Lake, BC is located between Merritt and Kamloops, and is only 3 ½ hours from Vancouver. The community of 2,000 residents is located on a high plateau among rolling hills, grasslands, and lakes. This is the ideal place for those who love hiking, biking, boating, fishing, and golfing in the summer and cross-country skiing and skating in winter. Ironstone Ridge is the newest residential development in the heart of beautiful Logan Lake. The development boasts 110 lots perfectly situated next to crown land that will remain untouched for years to come. Choose from nine stylish home plans or inquire about building the home of your dreams. With Phase 1 and the community park almost complete, Ironstone Ridge is now moving on to Phase 2 of this incredible new neighbourhood development.

Life at Ironstone Ridge in Logan Lake offers every amenity required for families such as schools, health and emergency services, doctors and dentists, plus a thriving business community for any other needs. Living at Ironstone Ridge is like being on vacation every day.
